

COUNSELING CENTER CORONAVIRUS UPDATES

WELCOME BACK MOUNTIES!

Due to Coronavirus, some of our procedures have had to be adjusted. Please read carefully.

We will not be able to allow students to sit in the waiting room or line up outside the office. Therefore, all students will need to report to class and ask your teacher to allow you to scan the QR code to request to see us. We will be calling in students one at a time, in the order that we receive requests.

Masks are required in the Counseling Center.

**Please do not let this deter you from requesting to see us.
We cannot wait to see you; it will just be a bit different!**

*The request form is monitored during school hours
and on school days only.*

This form is NOT for emergency requests.

Below is the same code that you will see posted in your classrooms,
and you can use the code or link as needed.
