## LINEMAN TECHNOLOGY SCHOLARSHIP

Carroll Electric is now taking applications to award a scholarship for enrollment in the fall 2024 Arkansas State University/Newport High Voltage Technology Program. The Cooperative will cover the entire tuition for the one-year technical certificate program. Upon completion of the program, a 10-week paid internship at Carroll Electric Cooperative will be offered to the recipient of the scholarship. Apply by April 1, 2024.

The High Voltage Lineman Technology program prepares individuals to apply technical knowledge and skills needed to install, repair, service, and maintain electrical power lines and supporting equipment. Students also receive instruction in pole climbing, pole testing, equipment maintenance, and pole top rescue.
