Industry Certification Training Programs

BIT

BUSINESS AND INDUSTRY
TRAINING

Interested in a job as an Electrician, CNC Operator or Industrial Technician? Enroll now for certification training courses offered at the Business & Industry Training Center. The training offers a self-paced curriculum with "hands-on" tasks using a simulator. The training courses are offered to 11th-12th grade students. Flexible training schedules. There is no cost to RPS students. To register for Spring or Summer industry certification training, please complete on-line registration form using QR Barcode.

Register Now for Spring and Summer Training
